## About Us

Save One Life is a nonprofit organization dedicated to improving the lives of children and young adults living with bleeding disorders in the developing world. A monthly sponsorship of just \$20 supplies a recipient with school fees, nutritious foods, transportation to clinic and other basic needs. Save One life offers resources and hope to individuals disabled and often socially stigmatized by bleeding disorders. In 2007 we supported 239 patients with bleeding disorders in Belize, the Dominican Republic, Egypt, India, Nepal, Pakistan, the Philippines, and Romania.

Save One Life is unique: 100% of sponsorship funds goes directly overseas, not to overhead. Almost all funds go directly to the sponsored person.

Haydée de Garcia, president of FAHEM, gives Emmanuel Martinez his sponsorship funds.

## Accomplishments

- Site visits to Pakistan and India.
- Site visit to Zimbabwe.
- Expanded into 3 cities in Pakistan.

- Provided all US sponsors with an updated profile of their beneficiaries.

*I'm writing you to let you know how thankful I am to all the people in your foundation, specially the people sponsoring Emmanuel.*

*After this help, Emmanuel's life is different because he can enjoy a better diet; I can go to the supermarket to buy him milk and eggs. We can help each other with school expenses, as well as transportation to go to the doctor or to buy medicine... there are so many things we do with the money, I can say this is very important and valuable help for us because we know it's something we can count on.*
