Jessica Swann  
Assistant Director,  
Product & Market Development  
Biogen Idec Hemophilia

Mark Zatyorka  
Manager, Client Relations  
AHF, Inc

Martha Hopewell  
*Executive Director*

## About us

Save One Life is a nonprofit organization that envisions a future where all people with bleeding disorders in developing countries have the medical and economic resources necessary to live independent and productive lives.

Our mission is to encourage individuals and organizations to focus their compassion and resources on improving the quality of life of people with bleeding disorders and their families in developing countries. We do this at the grassroots level, through direct sponsorship. Save One life offers financial aid and hope to people disabled and often socially stigmatized by bleeding disorders.

A monthly sponsorship of just \$20 helps a recipient pay for school fees, nutritious foods, medicine, transportation to clinics, and other basic needs. We supported 560 people with bleeding disorders in Belize, the Dominican Republic, Egypt, India, Nepal, Pakistan, the Philippines, Romania, and Zimbabwe.

Save One Life also directs sponsorship resources to strengthen the capacity of bleeding disorder organizations to better meet the needs of their communities. In 2009 we welcomed the Jose Memorial Hemophilia Society in Nairobi, making Kenya our tenth country. We also added Blood Brothers Aid in the Philippines, and the Hemophilia Society Kunnankulam Chapter in India, for a current total of 32 program partners.

Save One Life is unique: 100% of sponsorship funds goes directly overseas to support the sponsored person, their family, and their bleeding disorders organization.

## Accomplishments

Opened an office at 65 Central Street in  
Georgetown, Massachusetts

Hired a new executive director and sponsorship  
manager

Created a five-year strategic plan

Established the India Outreach Program:  
engaged a program coordinator and sponsorship  
assistant based in India

Visited Kenya and established a partnership with  
the Jose Memorial Hemophilia Society

Visited the Haemophilia Society of Tanzania to  
build capacity

Revised the Program Partner Policy Handbook  
Created a Program Partner administrative page  
on the Save One Life website

Donated funds to hemophilia camps in the  
Dominican Republic and Romania

Gained our first platinum corporate donor  
(\$40,000 and above)

Initiated our first annual appeal, raising over  
\$8,000

*Vlad shares a big smile during camp in Romania*

*Little Manish receives his sponsorship funds in Nepal*

*Usha Parthasarathy, our outreach coordinator in India (second from right) gathers information from the Khan brothers in Mumbai*
